

Dear Scout Group

Vendelbo Jamboree will offer daily events - large and small - held somewhere on the campsite. On Tuesday, "Sustainable Scout Life" will be held as a group activity, where we would like to invite our participating groups to prepare and conduct an activity and invite other scouts to join.

We hope that you are interested in contributing to this event?

You should prepare an activity within the theme of "Sustainable Scout Life," lasting approximately 1-1.5 hours, to be held at or around your own campsite. It is voluntary whether you wish to contribute, but we hope that you will share some of the activities, games, or similar that you use in your groups at home. The event will undoubtedly be more enjoyable if we have a variety of activities to offer the scouts

Your scouts will have the opportunity to visit other activities during this time, so you do not need to include your own scouts in the number of participants.

This event is for all scouts, and it is therefore not a requirement for your group to organize an activity yourselves for your scouts to participate.

You should do the following:

- Find an activity within the theme of "Sustainable Scout Life."
- Ensure that you bring the needed materials (if the activity requires specific materials, the camp can assist with procurement - let us know).
- You will plan and conduct the activity on Tuesday afternoon (further details will follow).
- Register your activity no later than May 15, 2024, via email: ann.dyhr@vendelbo-jamborette.dk.

Before the Jamboree:

- The Activities Committee will contact your group to confirm the activity.
- If there are any questions, or need for clarification, the Activities Committee can be contacted at the above email address or info@vendelbo-jamborette.dk

During the Jamboree

- Activities will be offered to the scouts on a first-come, first-served basis.
- Registration will take place via the information provided (further details will follow).

We look forward to seeing you all at Vendelbo Jamboree 2024.
