

The Jamboree Site

Vendelbo Jamboree is a jamboree which focuses on guiding/scouting, outdoor activities and being together. Therefore, we will build up a whole jamboree site where you have space to build a camp and camp life together. The activities will be close to you. But you will also have a rich opportunity to explore the surroundings around Mosbjerg and Tolne villages. It is our mutual goal to give our guides/scouts, leaders and jobbers the best jamboree experience.

Group campsites: we will try to at tildele store lejrpladser, så I har god plads til telte og lejrliv.

Activity areas: All in all there will be 6 activity zones. In the zones, we offer activities within CREATIVITY, DRAFTS, ADVENTURE, TECHNOLOGY, NATURE and FOOD WORKSHOP. At the central square, by the Information, you can see which activities are open and when.

Parking: Parking is only allowed in the marked areas. Driving at the jamboree site/campsites is only allowed during arrival/departure (more information will follow)
